# Saint-Joseph Rouge La Sybarite

Aurélien Chatagnier

## Variety

100% Syrah

## Annual production

2,400 bottles

## Vineyard name

Font Levat  
Rouelle Nord

## Vine Age

30 years average

## Size

3.5 HA (8.6 acres) including  
all St. Joseph vines

## Terroir

Granite

## Vinification

100% destemmed. Natural yeast  
fermentation in fiberglass tanks.  
3 pumpovers per day. Maceration  
à chaud at 30-32°C

## Elevage

Barrels (2/3 new) for 12-15 months

## Notes

La Sybarite is a barrel selection of  
the best wines of a given vintage.  
A Sybarite is a person who is  
self-indulgent in their search for  
sensuous luxury.

## About

Aurélien Chatagnier created his  
own domaine in 2002, when he  
was just in his early 20s, piecing  
together his vineyards parcel  
by parcel over the next decade.  
The vineyards at the domaine  
are predominantly granite, and  
very steep. The house style leans  
towards a lean, pure style of  
winemaking, and shows the reason  
why some of the best producers in  
the area decided to pass the torch  
over to Aurelien as one of the best  
young winemakers in the region.
