With “Trait de saison”, I sign a terroir champagne, where we capture the spring aromas of 60 % Chardonnay, 30 % Pinot Noir and 10 % Meunier. This creation is light and aerial, offering notes of orange blossom.

**A waken your senses** : Soft, its freshness in the palate brings aromas of white fruits and citrus. You will appreciate its finesse at aperitif but also with fish and white meats.

**Let your taste buds shiver** : A harmony to discover at once with marinated prawns cooked with fennel and ginger!
