Varietals: 100% Merlot

Age of the vines: Between 10 and 25 years

About the winemaker:

Domaine Séailles is one of the pioneers of organic viticulture in the Côte de Gascogne, farming organically since 1998. Unusual for the region, the vineyard is planted half to red grapes - primarily Merlot and Cabernet Sauvignon. The white grapes include the region's ubiquitous Ugni Blanc and Colombard which are used primarily for the traditional Armagnac Ténarèze, alongside Sauvignon Blanc and the rare Sauvignon Gris which are used for the still wines.
