Organic

# Vin de France Rouge "X" Nicolas Jacob

## Variety

Blend of various red grapes

## Annual Production

300 bottles

## Vineyards

Near Lons-le-Saunier et Augea

## Vine Age

Unknown age, but certainly planted before WWII

## Size

Less than 1 hectare

## Terroir

Trias marl

## Vinification

Direct press (no maceration)

## Elevage

8-9 months in tank

## Notes

The cuvée X comes from very old unidentified vines which are vinified using direct press without any maceration and aged in fibreglass tanks.

## About

Originally from the Jura, Nicolas Jacob worked on several local organic vegetable farms before developing an interest in wine. During this time, Nicolas established an admirable knack for searching out the best mentors in the area, including Laurent Macle and Jean-François Ganevat. In 2015, Jacob purchased just over 1 hectare of vines in L'Etoile, planted to Chardonnay, Pinot Noir, and bit of Savagnin, and began to develop his own style. In 2019, Jacob fully ventured out on his own, adding 5+ hectares of vines close to his own winery in Cesancey.
