Variety

100% Chardonnay

Vineyard

From the Étoile parcel.
Liassic marl (limestone,
rich in gryphaea fossils /
paper shale)

Viticulture

Biodynamic farming on the
vines. No synthetic
pesticides. (Copper Sulfate
only.) Vine maintenance
using herbal infusions and
essential oils. Treatment of
soil with horn manure. Light
tilling by tractor (less than
10cm deep)

Vinification

After being manually
harvested, the grapes
are left to settle for 12
hours. The wine is
fermented in 228L
barrels with indigenous
yeasts. There is then no
intervention until bottling.
Aged for 18-24 months
in demi-muids.
The wine is bottled
unfiltered and with no
added SO₂.
