# Les Chazaux 2020

## Poulsard

Nicolas Jacob

---

### Variety

100% Poulsard

---

### Vineyard

Predominantly “triassic side” of the Chazaux parcel, and some grapes from the “liassic side”

---

### Viticulture

Biodynamic farming on the vines. No synthetic pesticides. (Copper Sulfate only.) Vine maintenance using herbal infusions and essential oils. Treatment of soil with horn manure. Light tilling by tractor (less than 10cm deep)

---

### Vinification

After harvest, the grapes are 80% destemmed, 20% whole cluster.

They are left to settle for one night, then racked once, and put into 500L or 600L demi-muids, with a few 228L barrels. The wine is aged for 10 to 11 months.

The wine is bottled unfiltered and with no added SO<sub>2</sub>.
