

Chardonnay

YOHAN PAULET

Appellation: IGP Ardeche

Varietals: 100% Chardonnay

Vinification: This wine is made according to traditional techniques. Low yields produce fat and length on the palate – thereby resulting in a varietal that is true to type.

Vineyard/Terroir: The vineyard is situated on the southeast side of the southern part of Ardèche. The Chardonnay vines are planted on slopes at an altitude of 250 to 400 meters on shallow chalky-clay and limestone soils. The climate is typically Mediterranean.

About the winemaker:

Founded in 1967, Vignerons Ardèchois is one of the largest and best-run cooperatives in southeastern France. The vineyards are farmed by 1000 different families who tend between 5 and 25 hectares each.

Over half of the families still practice polyculture farming, and grow stone fruits, olives, almonds, and lavender in addition to tending their vineyards.

Located between the foothills of the Cévennes and the Rhône river at an average altitude of nearly 300 meters, the cooperative lies outside the typical division of

Northern and Southern Rhône.

The southern latitude allows the grapes to fully ripen, but the unusual freshness of the wines comes from the higher altitude.

Winemaking is overseen by the young and dynamic Marion Bosquet, who is originally from Sancerre and worked in the Northern Rhône, Australia, and Loire Valley before joining Vignerons Ardèchois in 2014.
