## Henri Bailly

### Variety

100% Sauvignon

### Vineyards

Vineyards in Bué,  
Chavignol, Saint Satur,  
Vinson, and Vogues

### Size

8 hectares

### Terroir

Predominantly Clay Limestone  
"Terre Blanche", with Limestone  
"Caillotes", and Flint "Silex"

### Vinification

In stainless steel tanks. Horizontal  
pressing with a pneumatic press.  
Reception of the musts in the vats  
by gravity. Settling, 24/36 hours  
before the fermentation. Only the  
alcoholic fermentation is done  
in order to preserve the aromas.  
Clarification and light filtration  
before bottling.
